About the Design:

The third coin in this exciting new collection is the Rey 1 oz. silver coin. This impressive coin features a high-impact image of the much anticipated new *Star Wars* character Rey. Rey hails from a desert planet called Jakku and lives in a ship graveyard. She is a self-sufficient and solitary survivor, toughened from a lifetime of dealing with the cutthroats of the desert.

Packaging:

Your *Star Wars: The Force Awakens* 1 oz. silver coin comes presented in a high-quality, slimline Perspex coin display and *Star Wars*-themed outer coin packaging. The Certificate of Authenticity sits within each coin case.
